

God's Kingdom

In God's Kingdom, there will be no more dangerous or poisonous animals, insects, pests or plants. The Bible says that the wild and dangerous animals—like lions, tigers, bears and wolves—will all be tame then, and will be the friends of man and the pets of his children.

In that day the wolf and the lamb will live together; the leopard will lie down with the baby goat. The calf and the yearling will be safe with the lion, and a little child will lead them all.

The cow will graze near the bear. The cub and the calf will lie down together. The lion will eat hay like a cow. ... Nothing will hurt or destroy in all my holy mountain. (Isaiah 11:6-9)
