

# My Special Creation

*From Jesus with Love*

I remember when I formed you. With great care and special attention I handpicked each talent, each gift, each characteristic, each fiber of your being until the combination and proportions were exactly right and each was perfectly sync to accomplish My purpose.

I also remember the moment when I breathed into you the breath of life. Love welled up so intensely inside Me that I could not contain it, for I knew the joy you would bring to Me and those whose lives you would touch while on the great journey of life.

My eye has been on you from the very beginning. I have been with you every step of the way. I have watched you. I have loved you. I have cared for you. You have never been out of My sight.

I love you from everlasting to everlasting. Listen to My voice in your heart, and I will show you of My great, great love for you—love which is greater than the ocean, love which stretches further than the horizon, love which the whole universe with all its stars and galaxies cannot contain, love which stretches beyond understanding into infinity and eternity!
